

Week 3 Assignment | Research Paper Proposal

Please provide the topic of your final paper for the instructor's approval. This is the topic that will be used to complete your assignment due at the end of week seven. You may select any topic that pertains to the History, Culture, and Social Contexts of Sport. Select a topic that is meaningful and significant to you. Please be sure to review the paper requirements in instructions for the final assignment before completing this assignment.

For this assignment, please provide the following:

1. List and briefly describe the selected topic.
2. Briefly describe the significance of this topic and your rationale for researching this particular topic.
3. Briefly describe and list sources you will use when researching this topic (i.e. specific journals, books, articles, etc.). Remember, at least 75% of your sources need to be scholarly; newspapers, magazines, blogs, and most information on general websites are not scholarly.

Please upload this into a Word document and follow the writing expectations for the course. Each question must be answered in paragraph form and should include approximately 3-7 sentences per response. Be sure to include an APA formatted title page and reference page (if you referenced any material).
