 This assignment will be submitted to Turnitin™.

## Instructions

### Assignment 2

Please review the video with instructions regarding topic selection for the final paper. If you are unable to see the video, a transcript is attached. Once you select a topic, you will need to identify for your topic and write an outline of your research topic paper. This outline can follow the following format as far as section headings. But you do not have to follow it. You can add more sections. But there must be at least five sections highlighted by \* and section titles. Include at least 100 words per section that you use.

Abstract

Introduction\*

Background

Define your topic\*

Explain your topic\*

Defend your position about your topic\*

Conclusion\*

Summary

Future Research Recommendation

Incorporate at least one reference from articles listed within the online APUS library.

- Written communication: Written communication is free of errors that detract from the overall message.
- APA formatting: Resources and citations are formatted according to APA style and formatting.
- Length of paper: typed, double-spaced pages with no less than two pages.
- Font and font size: Times New Roman, 12 point.
