

Look up the artist Claes Oldenburg. Pick a work of art that he created (include the title and date of the work) and discuss the particular objects that he chooses and how SCALE affects his work.

1. The first paragraph must be researched based. Provide information that you found pertaining to the artist, artist's work, and question. Make sure to cite the findings.
2. The second paragraph is opinion-based. Give me your subjective opinion on the artist, artist's work, question.

Make sure to:

- Write a minimum of 150 words (total, both paragraphs combine)
- Double-space
- Cite work
- Be original
