

really quickly and get back to playing. He learnt how to be resilient when he was discouraged or embarrassed with his team's loss. His willpower pushed him to new heights.

Owing to playing soccer, he learnt how to respect friends, rivals, coaches, fans and all the other people around. He owes soccer his dedication, determination and responsibility. It is a kind of sport that exposes the personality traits and it gets clear who a person is. He learnt how to be concentrated even being tired, anxious, angry or disappointed. Emotional discipline is one of the most valuable assets soccer provides. Emotions can get really high, so the players are to keep calm even if the moment is critical. There are strict rules and standards established to control the players' conduct. Years of experience helped him learn of all them and apply not only while running at the stadium.

More explanation and connection to you

It is not easy for him to study and be a successful student, but he is sure that he will cope with all the difficulties and reach the set goals. He has always done that on the pitch. He knows the tactics and the rules not only of soccer game but of life itself. He always thinks for his studies because all his friends saying for him that if they finish high school they ^{are} going to study at US. Also, his parent ^{s were} was very strict with his studies and wants ^{ed} him to get high GPA so he can study at the US. In Kuwait, who ^{ever} gets high GPA, they give him scholarship to study out side, not only US. After all the hard day in his life now he's studying at the US in California State University, Fullerton majoring in Business.

This is good work overall. You have some especially strong moments of discussion and explanation and you draw the connection to you identity very well. There are some places, however, where you can really develop things and provide a bit more context for your reader. Take a look at my comments and let me know if you have any questions. With a bit of revision and development, this could be a very strong essay overall.
