

## **What are the Warrants?**

**Former Bosnian leader Radovan Karadzic should be executed.**

**He helped participate in a government sponsored genocide.**

**Tropical storm Alex will be the most destructive storm front since Hurricane Katrina.**

**It is feared that Alex will further spread the massive oil spill in the Gulf of Mexico.**

**Ellensburg should enforce a strict dress code in their school systems.**

**Ellensburg has a growing gang problem.**

**The space needle is the most interesting building in Washington.**

**It was part of the 1962 World's Fair and is 605 feet high.**

**Bigfoot does not exist.**

**Scientists have not confirmed his existence.**

**Torturing prisoners for information, no matter what kind of information they may have, is evil.**

**When a person is tortured he or she is treated as less than human.**

**The United States should join the Kyoto protocol, which would compel us to regulate our environmental emissions. The countries in the Kyoto protocol already generate less greenhouse gasses than the United States.**

**The United States economy will soon be back to normal.**

**Barack Obama has appointed a new budget director.**

**We should make flag desecration illegal.**

**Flag desecration is not patriotic.**

**If you are a patriotic citizen of the United States, you should boycott shopping at Wal-Mart.**

**Wal-Mart supports the Chinese economy by having many of its distribution centers located there.**
