2- Para
① summary
① respond

First, read "Kids Want to Tan" in your QSkills Textbook on pages 205-208. Annotate if it helps you read more actively!

Then, create a summary and response paper (one paragraph summary and one paragraph response) based on the instructions in your textbook on pages 218-220. You may respond to ONE of the following questions in your summary and response paper:

1) Can people change who they are?

OR

2) Why do people want to change who they are? (Note: You do not need to answer all of them; these are just to help guide you in writing your summary and response!)

A. Re-read the article and use these questions to guide you:

- a. How does the article relate to the question you chose?
- b. What are the main ideas of this article?
- c. What main ideas of the article do you agree or disagree with? Why?
- d. What information in the article supports or disagrees with your point of view?
- e. Do you have any personal experience with or prior knowledge of this topic? What facts and examples support or disprove the main ideas in the article.

B. Notes for your summary response paper:

1. Main idea 1:

Personal Reaction:

2. Main idea 2:
