

300 - ①

Group Assignment for September 25, 2013

MIS 300

General Info: I have run enough copies for everyone to have this handout, but I only need ONE copy back. Choose someone in your group to write down what is decided on the copy to be handed in. Each group member should sign the back of that copy so I have a record of who participated in the discussion.

1. What business or organization does your group propose to use as a model its System Analysis project?

INDIANA STATE UNIVERSITY

2. What particular functional area or department will be the focus of your project?

STUDENT ACADEMIC HONORS PROGRAM

3. Describe (the best you can at this point) the processes which take place in an ordinary business cycle within that functional area or department.

COMMUNICATION WITH PROSPECTIVE STUDENTS DURING CAMPUS VISIT
MAKING STUDENTS AWARE OF THE PROGRAM'S EXISTENCE

4. Try to identify a contact person within the organization listed above. You may use your laptop or phone to do this. GREG BIERLY 812-237-3225

5. As well as you can at this point, identify two or more performance metrics for the functional area or department you have chosen (how do they measure whether they are doing a good job?)

1. STUDENTS WHO MEET REQUIREMENTS WHO CHOOSE TO ENROLL
IN PROGRAM

2. STUDENTS ENROLLED WHO COMPLETE HONORS PROGRAM
BY GRADUATION
