Soccer is the most loved and playing around the world. People around the world practice soccer and if not, for sure they watch it. No matter if watching or playing, soccer is one of the world's most popular sports.

Soccer requires tremendous amounts of teamwork and personal skills in order to be successful on it. It is not a one man game, but it is a group of 11 game. In other words, you need to work as a team to win what you and your team looking for.

Soccer or formerly known as "football" in many countries, has been taking attention more than any other sports in the global. Everybody loves it because no matter where you from or what language you speak, you still can play it because who loves this sports, speaks the same language, soccer language!!
