

TAKE-HOME ESSAY #3

Based on "What Is Intelligence, Anyway?" by Isaac Asimov

Answer the following question:

Do you think that people who are academically intelligent are often poor at nonacademic things? Why or why not? You must refer to the reading once, but you can also use examples from your own experience.

Please note:

- Your essay should be 1 ½ pages, typed, 12-point font and double-spaced. Do not write more than 2 pages.
- You must use one gerund.
- You must use one infinitive.
- You must use the passive voice once.

YOU MUST HIGHLIGHT AND LABEL THE ABOVE THREE FORMS ON THE FINAL DRAFT.
