

Well-Defined Thesis in Introduction

Organization and development: Logic and Development of Argument

Originality of Ideas

Has solid argument with supporting evidence; provides sufficient textual argument

Body contains a complete discussion and support; **Main points** Are relevant
Each paragraph. Includes a topic sentence Develops one main idea

Outside sources used and references cited correctly

Writing Style (clarity, flow, transitions, active voice, complete sentences, appropriate punctuation, subject-verb agreement, etc.); **concise and precise**

Style: Grammar, Punctuation, Sentence Structure, Spelling

Paragraph includes topic sentence, one main idea, transition to next paragraph

Conclusion recaps thesis statement and main points; presents closing argument

Other Comments:

Failure to go beyond simple summary of the movie?

the movie
to consider it as a silent movie because
to have a critical

Running Header: MOVIE REVIEW

Mesauro Alenzi
