

. Business Crimes

Write a short essay, between 400 and 500 words, responding to the assignment below. You are expected to utilize the textbook and outside resources to provide accurate and substantive answers to the question. Also, be sure to make use of illustrating examples where appropriate. Submit your work in APA format.

Find a current news article about a business-related event that involves a crime or has the potential for criminal prosecutions. Identify possible crimes and evaluate whether the required elements are satisfied.
