

*Writing Task: Cause & Effect**Essay**(5 paragraphs)**Write at least 550 words (approx.: intro/conclusion: 80 each + bodies 140 each).*

Write an essay discussing some aspects of the causes and effects of this topic. Use either block or chain style; in your final typed essay draft for the teacher under your name and the date state which style you have used. You might want to do some research about life in Paris; things to do; famous places to visit.

TOPIC: Imagine! ***You awake one morning to find that you are living in a lovely apartment in Paris, France, with plenty of money to enjoy yourself. What changes would it make to your life? This is a chance to let your imagination fly!***

**Directions: Check the rubric before you start.**

- ☐ Underline thesis statement and topic sentences in **different** colours.
- ☐ Use transitions to join sentences and paragraphs within the text. **Underline** these.
- ☐ Use C & E signal words (examples given below) **Highlight**
- ☐ **marks will be lost for ignoring the above directions.**

**Vocabulary:** You do not have to use vocabulary from the unit, but the following are suggested words you might find useful.

|            |              |               |
|------------|--------------|---------------|
| exciting   | alter        | depict        |
| prosperous | puzzled      | unexpected    |
| countless  | Eiffel Tower | museums       |
| fashion    | surroundings | fashion shows |
