Accounts receivable loans, 473–475

- factoring, 475
- pledging, 473–474

Accrual basis accounting, 65

Accrued expenses, 59

Accrued wages, 467–468

Accumulated depreciation, 58

Agency costs, 400, 401, 422

- firm value and, 400–401
- free cash flow and capital structure, 401–492
- of debt, 395

Agency problems, 7

- conflicts of interest causing, 7–8, 10, 401

Allocation asset, 203

Amortization

- process, 163–164
- schedule, loan, 163

Amortized loans, 162–164, 166, 167

Angel investor, 22

Annuities, 157–164

- amortized loans, 162–164, 166, 167
- compound, 157–159
- definition of, 157
- due, 161–162
- equivalent annual, 330
- future value factor, 158
- ordinary, 157
- present value factor, 160
- present value of, 159–160

Arbitrage, 489

- exchange rates and, 489

Arbitrageur, 489

Asked rate, 489

Asset allocation, 203

Asset management, 112–113

Asset structure

- and financial structure, 381

Assets

- claims on, 223, 258
- current, 57, 60–61, 457–458
- financing, 117–118
- fixed, 58, 61, 68
- long-term, 58
- management of, 113–114
- operating profits and, 112–114
- permanent and temporary, 459–460
- total, 57
- total turnover, 113–114
- turnover of fixed, 114
- types of, 57–58
- value, determination of, 229, 231

Average collection period, 108–109

Average tax rate, 78

B

Balance

- compensating, 469

Balance sheet, 56–65

- common-sized, 62
- construction of, 63–64

Balance-sheet leverage ratios, 405

Bank credit, 469–471

- line of credit, 469
- short-term, cost of, 470–471
- transaction loan, 471

Bankruptcy costs, 408

Behavioral finance, 227

Benefit-cost ratio, 313–317

Bernstein, Peter, 187

Best-efforts basis, 28–29

Beta, 198–200

- estimation of, 204, 365–366
- measurement of portfolio, 202–203
- pure play method for estimating, 366

Bid-asked spread, 489

Bid rate, 489

Bird-in-the-hand dividend theory, 419

Blake, Frank, 51

Bond yields, 235–238

Bonds, 220–249

- call provision, 224
- callable, 224
- characteristics of, 223–226
- claims on assets and income, 223
- convertible, 222
- coupon interest rate, 223–224
- current yield, 237–238
- debentures, 221
