Plastics - In Store Identification Assignment **NO LATE PAPERS ACCEPTED- DATE DUE** 10/11

Find the following items in the Grocery store. Look on each package to find the plastic code(1-7). Fill in the chart below with the proper number , and Yes/ No for Recyclable. If you cannot find the specific item , then choose another brand and write the brand on the chart. Also, find ten items that contain corn products(corn syrup, corn starch, etc- **SEE BACK OF PAGE**) (If am item doesn't have a plastic code- look it up, look at your notes- figure it out!!!)
