

→ Development of literate culture

- among the first languages to be written

- copts : christians that speak last version of that language

- Egyptian writing is pictograph and petroglyph
called ~~hieroglyphic~~ (hieroglyphic) → was used formal documents

- Rosetta stone was written in 2 languages and 3 systems → mainly :
1- greek
2- hieroglyphic
3- demotic

- The pyramid text called so because ~~then~~ it was hidden

- the wisdom text → most famous philosophy book

- Book of the dead → instructions for what spirit has to do after death.

- Magical spells were used as medicines

- Egyptians believed in Ra, ghost

- may be the first to use decimals in Math and were good in ~~the~~ geometry

- First to ~~use~~ paint on walls and on tombs to satisfy Ra
