Walter White

My name is Walter White and I am writing this letter to explain ^{to} you who I am and what I my life story. My life story is full of unpredictable actions and circumstances that changed my life and my character 180 degrees. Even I didn't ever think that it will end with me like this. Indeed, I know that am not perfect I did things that were [?] abused from the society values and were immoral things, but at least I was realistic; I did what all people will do if they were in my satiuation.

Initially, I was a chemistry high school teacher who ^{was} ~~is~~ obsessed too much with chemistry. At that time ~~x~~ my family ~~was~~ consisted of my wife Skyler and my 16 years ~~x~~ old son, ^{Jr.} ~~Walter junior~~. I was a normal person as any normal person in the world till I noticed the disease symptoms as coughs, strong headache, stomach and feeling sleepy all the time. My case reached that I must see a doctor. I went to see the doctor and the result was [?] ~~the shocked of my life~~. The answer was lungs cancer. The doctor said to me that I have less than two years left to live. My reaction was not over that much. I know that all people have an end in different ways. I was not afraid ^{of} ~~from~~ dying, ^{what?} my all concerns were about my family. I sat with myself and decided ~~to~~ not tell anybody about my disease and I tend to take extreme measures to provide my family's long term financial security. The solution of providing money to my family and for the cancer treatment was so hard, till I encountered Jessie Pinkman, my former student, while joining my DEA agent brother-in-law, Hank, in accompany on a live raid on a meth lab. I noticed Jessie escaping from the raid and the police could not catch him. After that, I ^{thought} ~~think~~ of the weirdest and the strangest ^{idea?} ~~thought~~ in my all life. My
