

Unit 3
Week 3:

Prior to class

1. Read Kellerman, Pages 117-203; all remaining sections in the Quinn et al. text.
2. Complete two assessments assignments in each of the three remaining modules. (Modules 2, 3 & 4)

For each of the six assessments, submit a $\frac{1}{2}$ to 1 page description of your performance. On the basis of the assessment, describe how you rate your level of skill.

3. Submit a three page essay detailing your interpretation of ALL the data you have collected so far, rendering tentative conclusions as to your strengths and weaknesses. Be sure to draw on insights in Kellerman and in the Quinn et al. text.

Points possible for assignments in Week 3 (Activities 2 = 50 points & 3 = 50 points) for total possible 100 points.
