The primary objective of this assignment is to help you understand the role and function of a social worker in various fields of social work practice.

Please select any field of practice from chapters 6 thru 13 or 15 in the text.

Identify the field of practice you have chosen in your paper.

- ☐ Give a brief summary describing why you have selected this field.
- ☐ Summarize the various types of services that are provided to clients in that field of practice.
- ☐ Explain the role and function of social workers in this particular field.
- ☐ Identify at least 2 of the responsibilities and tasks that social workers perform in this field.
- ☐ Give an example of two agencies that provide these services in the field you have selected.
- ☐ Identify the names of the agencies in your paper, and share a little about them.
- ☐ Identify two tasks a social worker might do to increase awareness and education regarding those who deal with issues in the field you have chosen.
- ☐ Identify one thing that you have learned from this Intro to Social Work class that you will take into your professional future.

This is the final assignment of the semester. It is worth 100 points.
