Baraah Arab

Main thing: the grammar, sentence structure
& syntax needs to be addressed.
This is good in terms of content, but
the english writing needs to be improved.

Baraah Arab was born and raised in Jeddah, Saudi Arabia. She came from a large family as she has two brothers and two sisters. Baraah has been married for almost three years, got married back home in 2013 then moved to Houston with her husband after they both got a scholarship. Struggling between the new culture and studying in another language, she is trying to focus on her studies to achieve her goal of earning a BS degree in Advertising Design. Currently, she is a year away from graduation from the Art Institute of Houston.

Baraah has an associate in Interior Design from Fanshawe College located in Jeddah, KSA. She worked as a designer in AMRA Company in Saudi Arabia for six months. At that time, Baraah worked on a project for this company, she did a floorplan for a small cafe. Not only she got experience in designing floorplans but also, she started her own business in remodeling small apartments. She remodeled three apartments for her close friends by helping them choosing their furniture, paint color and how to efficiently use the space.

Baraah enhanced her personality with volunteering for orphanage. She did charity work for orphans, she helped them by providing clothes and food and also volunteered in creating recreational events and activities. Those events were for free and anyone can attend and offer help for orphans to add joy to their lives.

Baraah has always been hardworking and trying to achieve her goals. She does not give up even if she failed many times. Baraah is a kind giving person, and love to help others. Baraah is dedicated to her dreams of getting her bachelor degree in Advertising Design, get experience in the field, and have kids. She wants her family and husband to be proud of her.

In her free time, Baraah enjoys spending time with her husband and friends. She also loves drawing outdoors and she has a passion of learning cooking different kind of food.

great
pic !!

You never
want to
be negative
You want to
be confident
& highlight
what you can do.

You can say the
same thing
but turn it into
a positive

I understand
what you
are trying
to say there,
but need to
rephrase it more
positively

Also - for every trait
you must back it up with
example.
Baraah is kind & giving person,
she spends time
volunteering at an orphanage.

enhanced
personality?

tell us what orphanage + what skills
you received from doing this.

Personal Brand Statement

I enjoy helping people to develop a better representation of their lives styles either on the personal or professional level. Putting passion and experience to exceed clients' expectations by making their thoughts alive, creativity and innovation are my tools to find the most suitable advertising solution. I take my work to a personal level where advertising is my fuel to survive.

This is excellent Baraaah!

I love the content.

The grammar, + english needs
to be enhanced to make it flow
better.
