

HSA 3111

Final Examination

Due May 2, 2016

The Patient Protection and Affordable Care Act was signed into law on March 23, 2010 by President Obama. This legislation will change health care in the United States as we know it. Many components of the law have already gone into effect to date. Please write a five (5) page paper on the following topic:

Choose two (2) areas of the Patient Protection and Affordable Care Act. Elaborate on each one and provide your opinion of why you think each area selected will be successful or not.

Paper Guidelines:

1. Provide five references for your work.
2. Follow American Psychological Association (APA) format.
3. Be sure to proofread your work. Points will be deducted for spelling and grammatical errors.
4. Do not exceed five (5) pages for the assignment (excluding cover page and references).
5. Paper must be physically handed in on the last day of class. Electronic files will not be accepted.
