Anna is happy and engaged in the class.
Anna is transitioning to the routine
of preschool more and more each day.
She would benefit from further
support during transition times and
enjoys helping and direction.

Sample Anecdotal Record Form

Child's Name: Anna Smith

Age: 4 years, 9 months

Location: Preschool Classroom

Date: 9/09/14

Observer: Ashland

Type of Development Observed: Social-Emotional, Physical, Language

Incident

Notes or Comments

8:15 - Enters classroom, takes off backpack and hangs it on the cubby rack. Greets another child and runs off to the library area with her. Tells her "I want to read you a story."

8:27 - The clean-up warning is given and Anna continues to look at the book. She is talking to another child and pointing to the pictures on the page.

8:30 - The lights are dimmed and the clean-up song starts. The other child begins to clean-up. Anna slouches down in the bean bag and continues to read. The teacher asks for Anna's help and she jumps up, places the book on the bean bag and runs over to the teacher.
