

Please write a 2 ½ page (single spaced, 12 font, 1 inch margins all around) reflection paper. More specifically, I want you to write about how you plan to use what you have learned on the chapters we have discussed so far in your future/current job and workplace. If you are currently working, feel free to also write about how the things you have learned connect with the things you have seen in your workplace.

Please make sure your paper is well-written and avoid any grammatical/structural errors. Remember that we have a Writing Resource Center at the university to assist you in your writing if needed.

The deadline for the Response Paper is 11/30/2016. If you have any questions, please let me know.
