

DREAM JOB

Education and Career Development Project

CPD 150 Final Project

Instructor – Angel Moore, M.A., LPC

Due Date – Monday, December 5, 2016

Present your dream job and what it will take to attain it.

Part One: In-class presentation (five to seven minutes)
Format: PowerPoint or Poster Board.

Part Two: A two to three page Reflection Paper (typed and double-spaced)

Research and include the following in your presentation and in your paper:

	Educational requirements for your dream job
	Your major - o Two to three colleges/universities that offer this major - o Sample coursework required - o Tuition expenses - o Three career areas affiliated with your chosen major that are of interest to you
	How this career matches your interests and values
	Employment outlook (local and national)
	Salary range (local and national)
	Typical job duties
	Skills needed for this career
	Local and/or national industry associations for networking in this field
	Career ladder – list the steps you might take attain your dream job

*The secret to living a joyful
fulfilling life is to do more of
what you love every day.*

~ Marcia Wieder
