

### Synthesis #3

Please visit the website: [genderads.com](http://genderads.com)

I would like for you to choose one image. It MUST be different from those we went over in class. When you have settled on one, please answer the following questions:

- 1 Describe the picture in detail. How many models, gender, race, etc.
- 2 What does this representation say about the values held in American culture?
- 3 How do you think a functionalist would interpret this? What about conflict theorists, feminists and symbolic interactionists?

All papers must be typed and double-spaced with 12-point font. **THERE WILL BE NO LATE ASSIGNMENTS ACCEPTED** ~~SO PLEASE CHECK YOUR SYLLABUS FOR THE DUE DATE!~~
