

We chose debate topics for our in-class arguments on Wed.

I've assigned topics to those who were not in class. The Proposition is what will be argued. Affirmatives will argue for the proposition; Negatives argue against it.

#1 You are to use 3 library sources, including CQ Researcher, to help you with your research.

#2 Follow the instructions for the debate listed in the **Debate** folder (in Content, Bb)

#3 In addition to presenting your side of the debate in class, you and your debate partner will complete a brief argument paper presenting your side of the question (2-3 pages typed) due through Bb the Friday before midterm break

#4 Please complete a **debate responsibilities chart** (see Bb Debate folder) as a pair, so that I know that both of you are involved in preparing the debate. Have this completed by
