

Personally, I prefer the British system. Homework is important and should never be disregarded, ^{however} I believe it should be specialized to serve a purpose. For example, many

How do you know? I have you asked the teacher why he/she assigns homework? teachers assign homework just ~~from them~~ because they have to. It may not benefit the students, but it will help ^{PRNP} grade. ^{what is the difference?} In the British system, homeworks consisted of past exam papers

You do not really support your topic sentence. and content that is for revision, so students have the freedom of learning how to study in their own way and familiar to examination content. familiarize themselves with content the exam content.

To conclude, homework is a ^{vital} important factor of education that should be improvised but never overlooked. Teachers should

How does this paragraph conclude your essay? It is not clear. find innovative techniques to ^{WC} ~~not~~ adopt all student mentalities and fit learning ~~teach~~ styles ^{WC} to provide specialized ^{PP} assignments. workload. People learn ^{PREP} different ways, and the main goal is to educate. The main concern is the shift from 'assigning homework to

^{WF} educate" to "Assigning homework to make sure ^{students} they work!"
