

Unit V Scholarly Activity

Data Warehouses and Data Marts

Write a one- to two-page (250-500 word) paper that discusses the differences between data warehouses and data marts. Also, discuss how organizations can use data warehouses and data marts to acquire data. You must use the CSU Online Library to locate at least two sources for your paper.

APA rules for formatting, quoting, paraphrasing, citing, and listing of sources are to be followed.

Information about accessing the Blackboard Grading Rubric for this assignment is provided below.
