

In the Labs

Design and/or create a workbook using the guidelines, concepts, and skills presented in this chapter. Labs 1 and 2, which increase in difficulty, require you to create solutions based on what you learned in the chapter; Lab 3 requires you to create a solution, which uses cloud and web technologies, by learning and investigating on your own from general guidance.

Lab 1: Fourth Quarter Revenue Analysis Worksheet

Problem: You work as a spreadsheet specialist for Caitlyn's Candles, which has four regional shops in the state of California. Your manager has asked you to develop a fourth quarter revenue analysis similar to the one shown in Figure 1–76.
