

Unit VI Scholarly Activity

Business Process Management

In this writing assignment, you will explore how organizations use business process management (BPM). Write a one-page (250-word) paper explaining how organizations use business process management (BPM). Be sure to use at least one specific example from the CSU Online Library, and address the following in your paper:

- What is business process management (BPM)?
- Why do processes need management?
- What are BPM activities?

APA rules for formatting, quoting, paraphrasing, citing, and listing of sources are to be followed.

Information about accessing the Blackboard Grading Rubric for this assignment is provided below.
